

Product Specification

- Product Type HRA-SPDU-UPGRADE
- Ampere 32A
- Product Power Distribution Unit
- Plug Industrial Plug + Socket
- Outlets -
- Height -
- Depth -
- Width -
- Weight 3,6kg

Product Features

- Remote network management
- Cascade management
- RS485
- SNMP v1 v2 v3
- Monitor input voltage (V)
- Monitor total load current (A)
- Monitor total power (kW)
- Monitor energy consumption (KWH)
- Monitor total power factor
- Multiple output options
- Voltage threshold setting
- Current threshold setting
- USB Port
- Temperature and humidity sensor (Optional)
- Water Leakage (Optional)
- Industrial Plug 2P+E
