

ACCESSORIES - SMART PDU

Product Specification

- Product Type HRA-SPDU16-16A
- Ampere 16A
- Product Power Distribution Unit
- Plug Industrial Plug + Socket
- Outlets 16 Europe Outlets
- Height 1061mm
- Depth 62mm
- Width 44,5mm
- Weight 3,6kg

Product Features

- Remote network management
- Cascade management
- RS485
- SNMP v1 v2 v3
- Monitor input voltage (V)
- Monitor total load current (A)
- Monitor total power (kW)
- Monitor energy consumption (KWH)
- Monitor total power factor
- Multiple output options
- Voltage threshold setting
- Current threshold setting
- USB Port
- Temperature and humidity sensor (Optional)
- Water Leakage (Optional)
- Industrial Plug 2P+E
